Mobile game concept

Concept illustrations and main activities for the 'Alchemy Master' mobile game.

The game is set in a fantasy world, where the player will focus on creating potions, finding ingredients, developing skills, and exploring the world.

"Start your adventure as an alchemist! Increase your skills, create medicines, potions and spells. Collect ingredients, develop new recipes and discover the world."
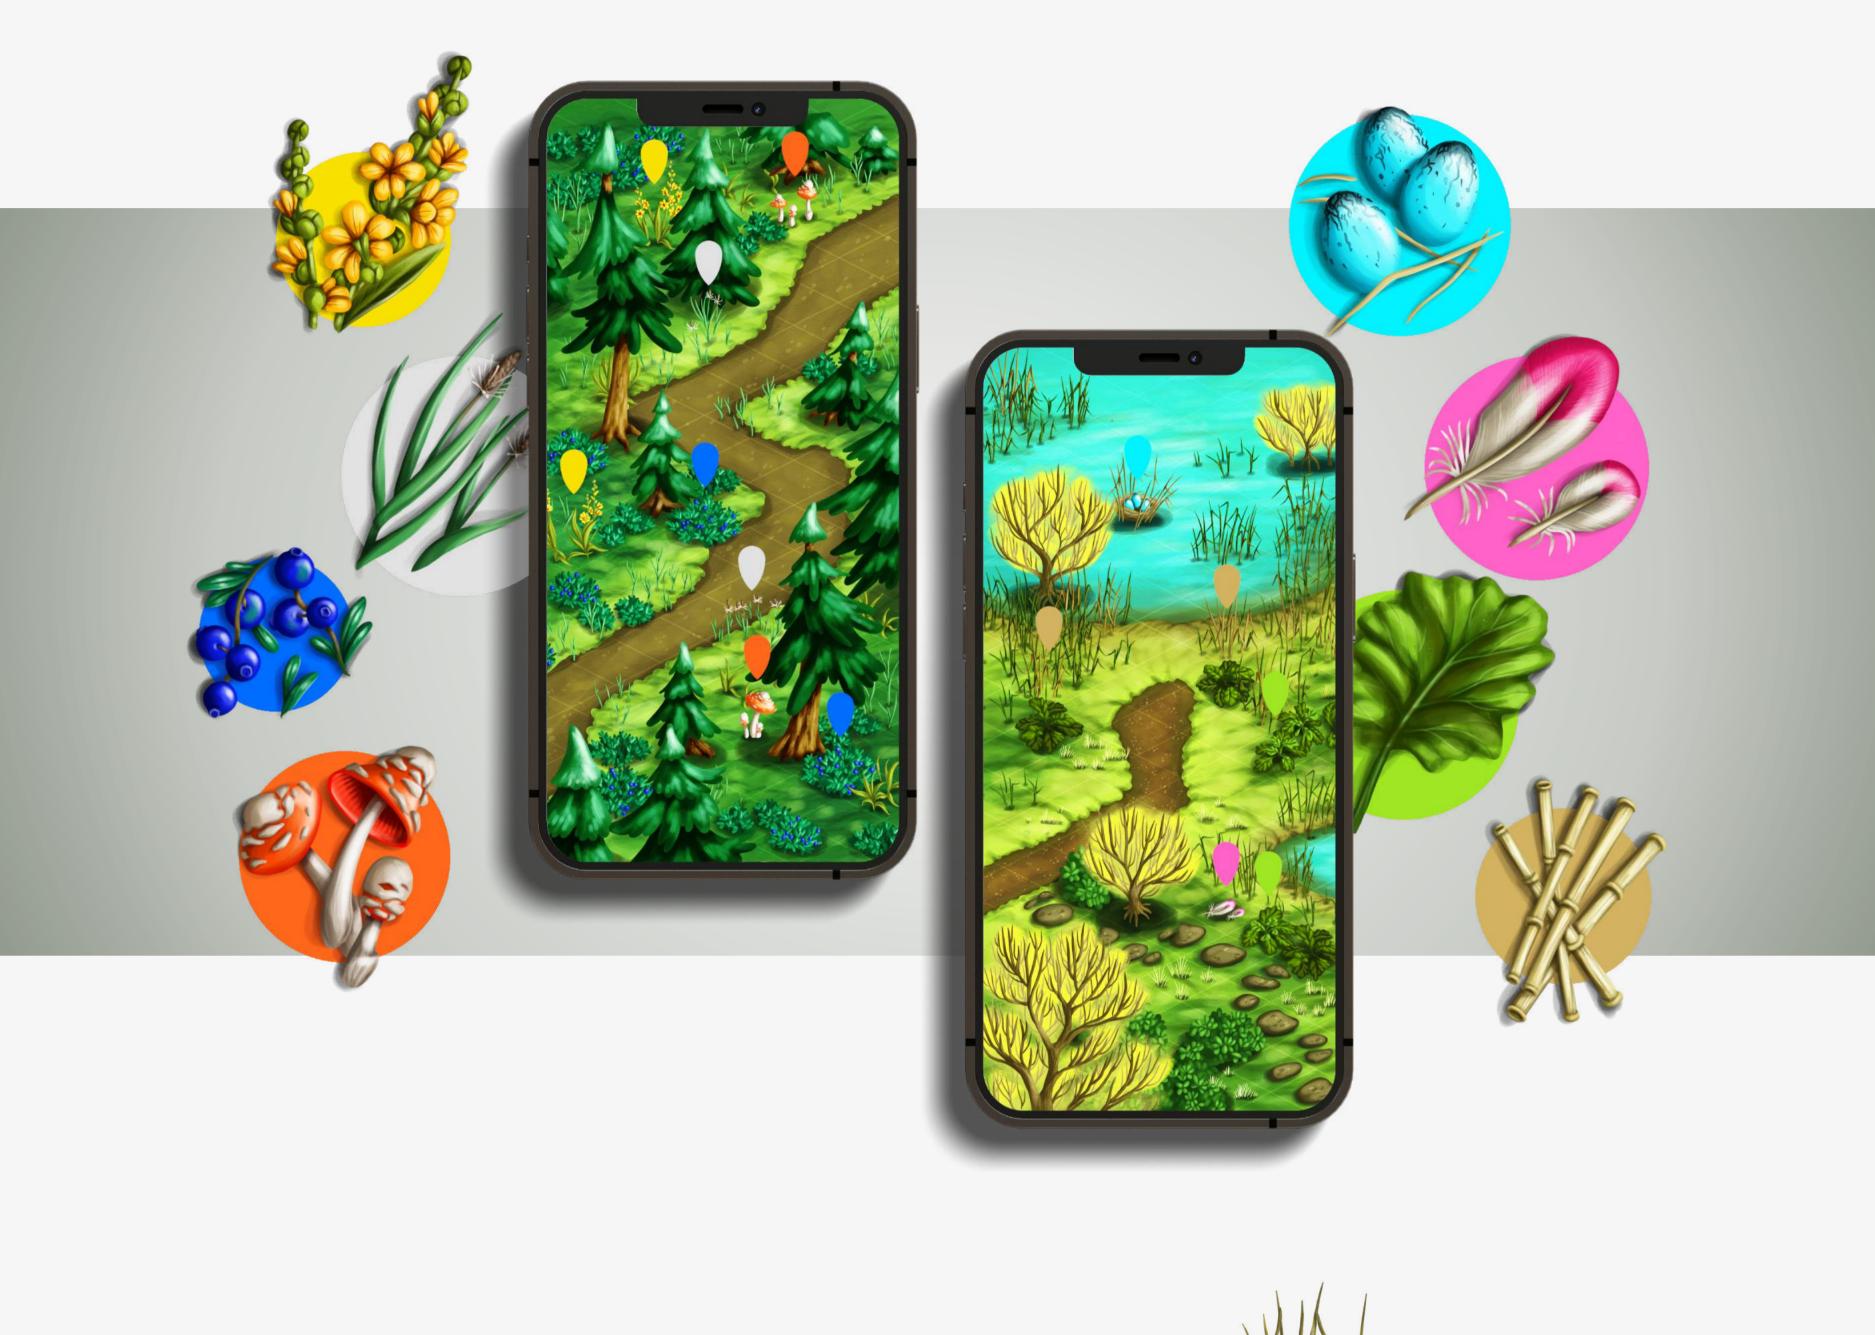

Ingredients

"The ingredients needed to create potions can be found or mined."

Recipes

"In order to make the right mixture, you need to collect the ingredients and process them with the right tools."

drying → mixing and boiling

drying → grinding

crushing → dissolving

mixing → straining

Mixtures

"Heal sick inhabitants, increase your power, defeat your opponents. Get to know all the properties of potions!"
